

Dear guests!

A warm welcome from the little Vine-Village Weiler, located in the "Nahetal", Rhineland-Palatinate, Germany.

What are you looking for? Would you like to discover something new? Would you like to do a lot of sport or would you just like relaxing? All of these possibilities are available in our famous Nahetal (Germany`s sunny and dry region!) surrounded by some of Germany`s most beautiful vineyards.

Flights are easily available via Ryanair and Wizzair and take approximately two and a half hours, arriving at Frankfurt-Hahn airport. From the airport there is a shuttle bus connection available to Weiler (see Booking details at the end).

Weiler - the idyllic located village awaits your visit. Enjoy beautiful vineyards, in the valley of the River Nahe, between Bad Kreuznach and Idar-Oberstein.

Within a maximum radius of 50 Km (ca.28 miles) there is RÜDESHEIM with the world-famous "Drosselgasse", the blond epic girl "Loreley" at same rock and Idar-Oberstein the metropolis of gemstone. In the nearby surrounding you will find castles, barefoot walking experience and a nostalgic open-air-museum including 36 historical buildings.

You can also find gemstone mines, a world of gemstone adventures, copper mines and the German gemstone museum. Around the German gemstone streets are celtic settlements, castles and slate mines to explore. Furthermore you can enjoy wellness with the body complete in warm or cold clay. The highlight of the attractions is a legendary ride on a "Handcare-Draisine".

More than 100 km (ca. 56 miles) of cycle paths are suitable for Roller-Skates and Inline-Skaters. The trails through the vineyards and forest are splendidly constructed. Horse-enthusiasts and paragliders will find perfect facilities here. In one week interest people can learn to fly paraglid.
